MONSIEUR CAMEMBERT

"Gloriously melodramatic, extraordinary musical prowess [and] breathless panache..." *Drum Media Magazine*

"... a brazen and intoxicating blend of jazz, gypsy swing, Latin & East European influences!" *The Age, Melbourne*

Triple ARIA Award winning group Monsieur Camembert have been at the forefront of Australia's gypsy-rock scene for the past 8 years. Fusing klezmer, swing, jazz and French Musette, this six-piece ensemble are guaranteed to energise you with their carnival sounds and ebullient flair. Don't miss this opportunity to experience Australia's premier world music group in their only Perth show.

PASCALE

As a child singing at her father's market stall in rue Alesia, Pascale knew her 'stage' on the cobble-stone streets of Paris would be the first of many. Perth is home to Pascale now, and performing the beautiful, haunting sounds of French songs is her *joie de vivre*. Experience *Titi-Parisien* French Cabaret at its best as this much-loved French diva pays tribute to the legendary French singers of the 1950s.
